

The colors shown below are stock threads available from Robison-Anton's Super Strength® Rayon selection.

NOTE: Due to the differences in Computer Monitors, Video Cards & Printers, the colors displayed below should be used only as guides. Threads should always be matched to the appropriate physical color card. If you do not have a Robison-Anton Super Strength® Rayon thread chart at your disposal, we can send one to you at no charge! Email or call us for more details.
